A Silver Camelot

From dreams and visions here was built a place
Whence knights and ladies yearly should ride forth
To change the world again, reflect the face
Of Arthur-Christ, the once and future source.
How train these knights and ladies in their game?
In books and wisdom lies much of their power
But great prowess and valor spread their fame
In feats athletic won within the hour.
Thus grace, glory, and a will to right
A Silver Camelot far in the West
Shines out against the blackness of the night
To spur the world once more to what is best.
St. George, the dragon, and the legends bold
Inspire this kingdom turning now toward gold.

ur book, Excalibur 1983, is special because it not only represents the essence of the past year, but also the Montgomery spirit as it has matured during the last quarter century. It was in the first years that Catholic service was established as the prevalent ideal. The rev-

elation of this ideal can be seen in the commitment of our teachers to the promotion of Catholic education. It can also be seen in the students; in clubs whose foundations include service to the school, to the Church, and to the community. These past Twenty-five years have lent themselves to

the instillment of Christian values, responsibility, dedication, and love. We all know the joys of giving ourselves — service.

The staff of Excalibur hopes that as you page through this publication you feel how special it is to be a KNIGHT.

Kellie,
Well now we are almost
juniors! It has been
neat having you in
Bro-jims class. I remember
I met you during freshman
year but I didn't see you after
that. Hope we stay friends.

Kelli,
Hi! Well, we didn't see quite so much of each other this year, huh? Eesh, I was so surprised to find out that you know Mitch! Maybe I'll see you a lot in the summer if you're at Steve's. That would be fun! Well, you're a real nice & sweet girl (pretty too) & I hope you always will be. Have a fun summer!

DEDICATION: THE TEACHER

25 YEARS OF PROFESSIONALISM

For twenty five years teachers have practiced their profession here: at times a thankless job and at times a gratifying one. Underpaid and overworked, they have been the backbone of Catholic education at Bishop Montgomery.

Whether they be priest, nun, brother, or lay faculty, these halls echo their dedication. Excalibur 1983 acknowledges that con-

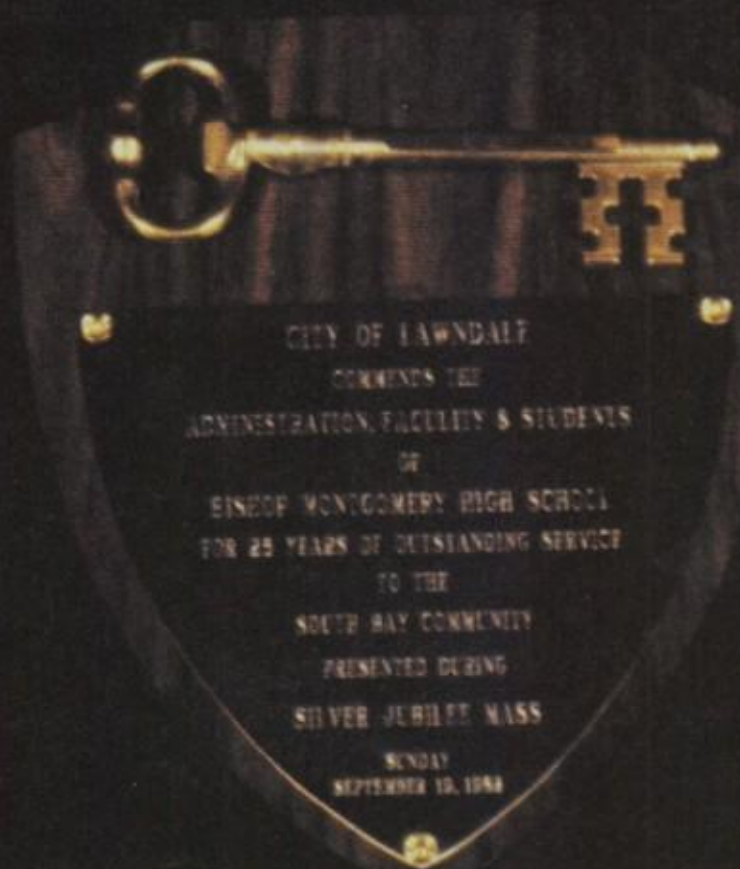

tribution. Students can look with admiration toward these individuals who contribute so much to their lives.

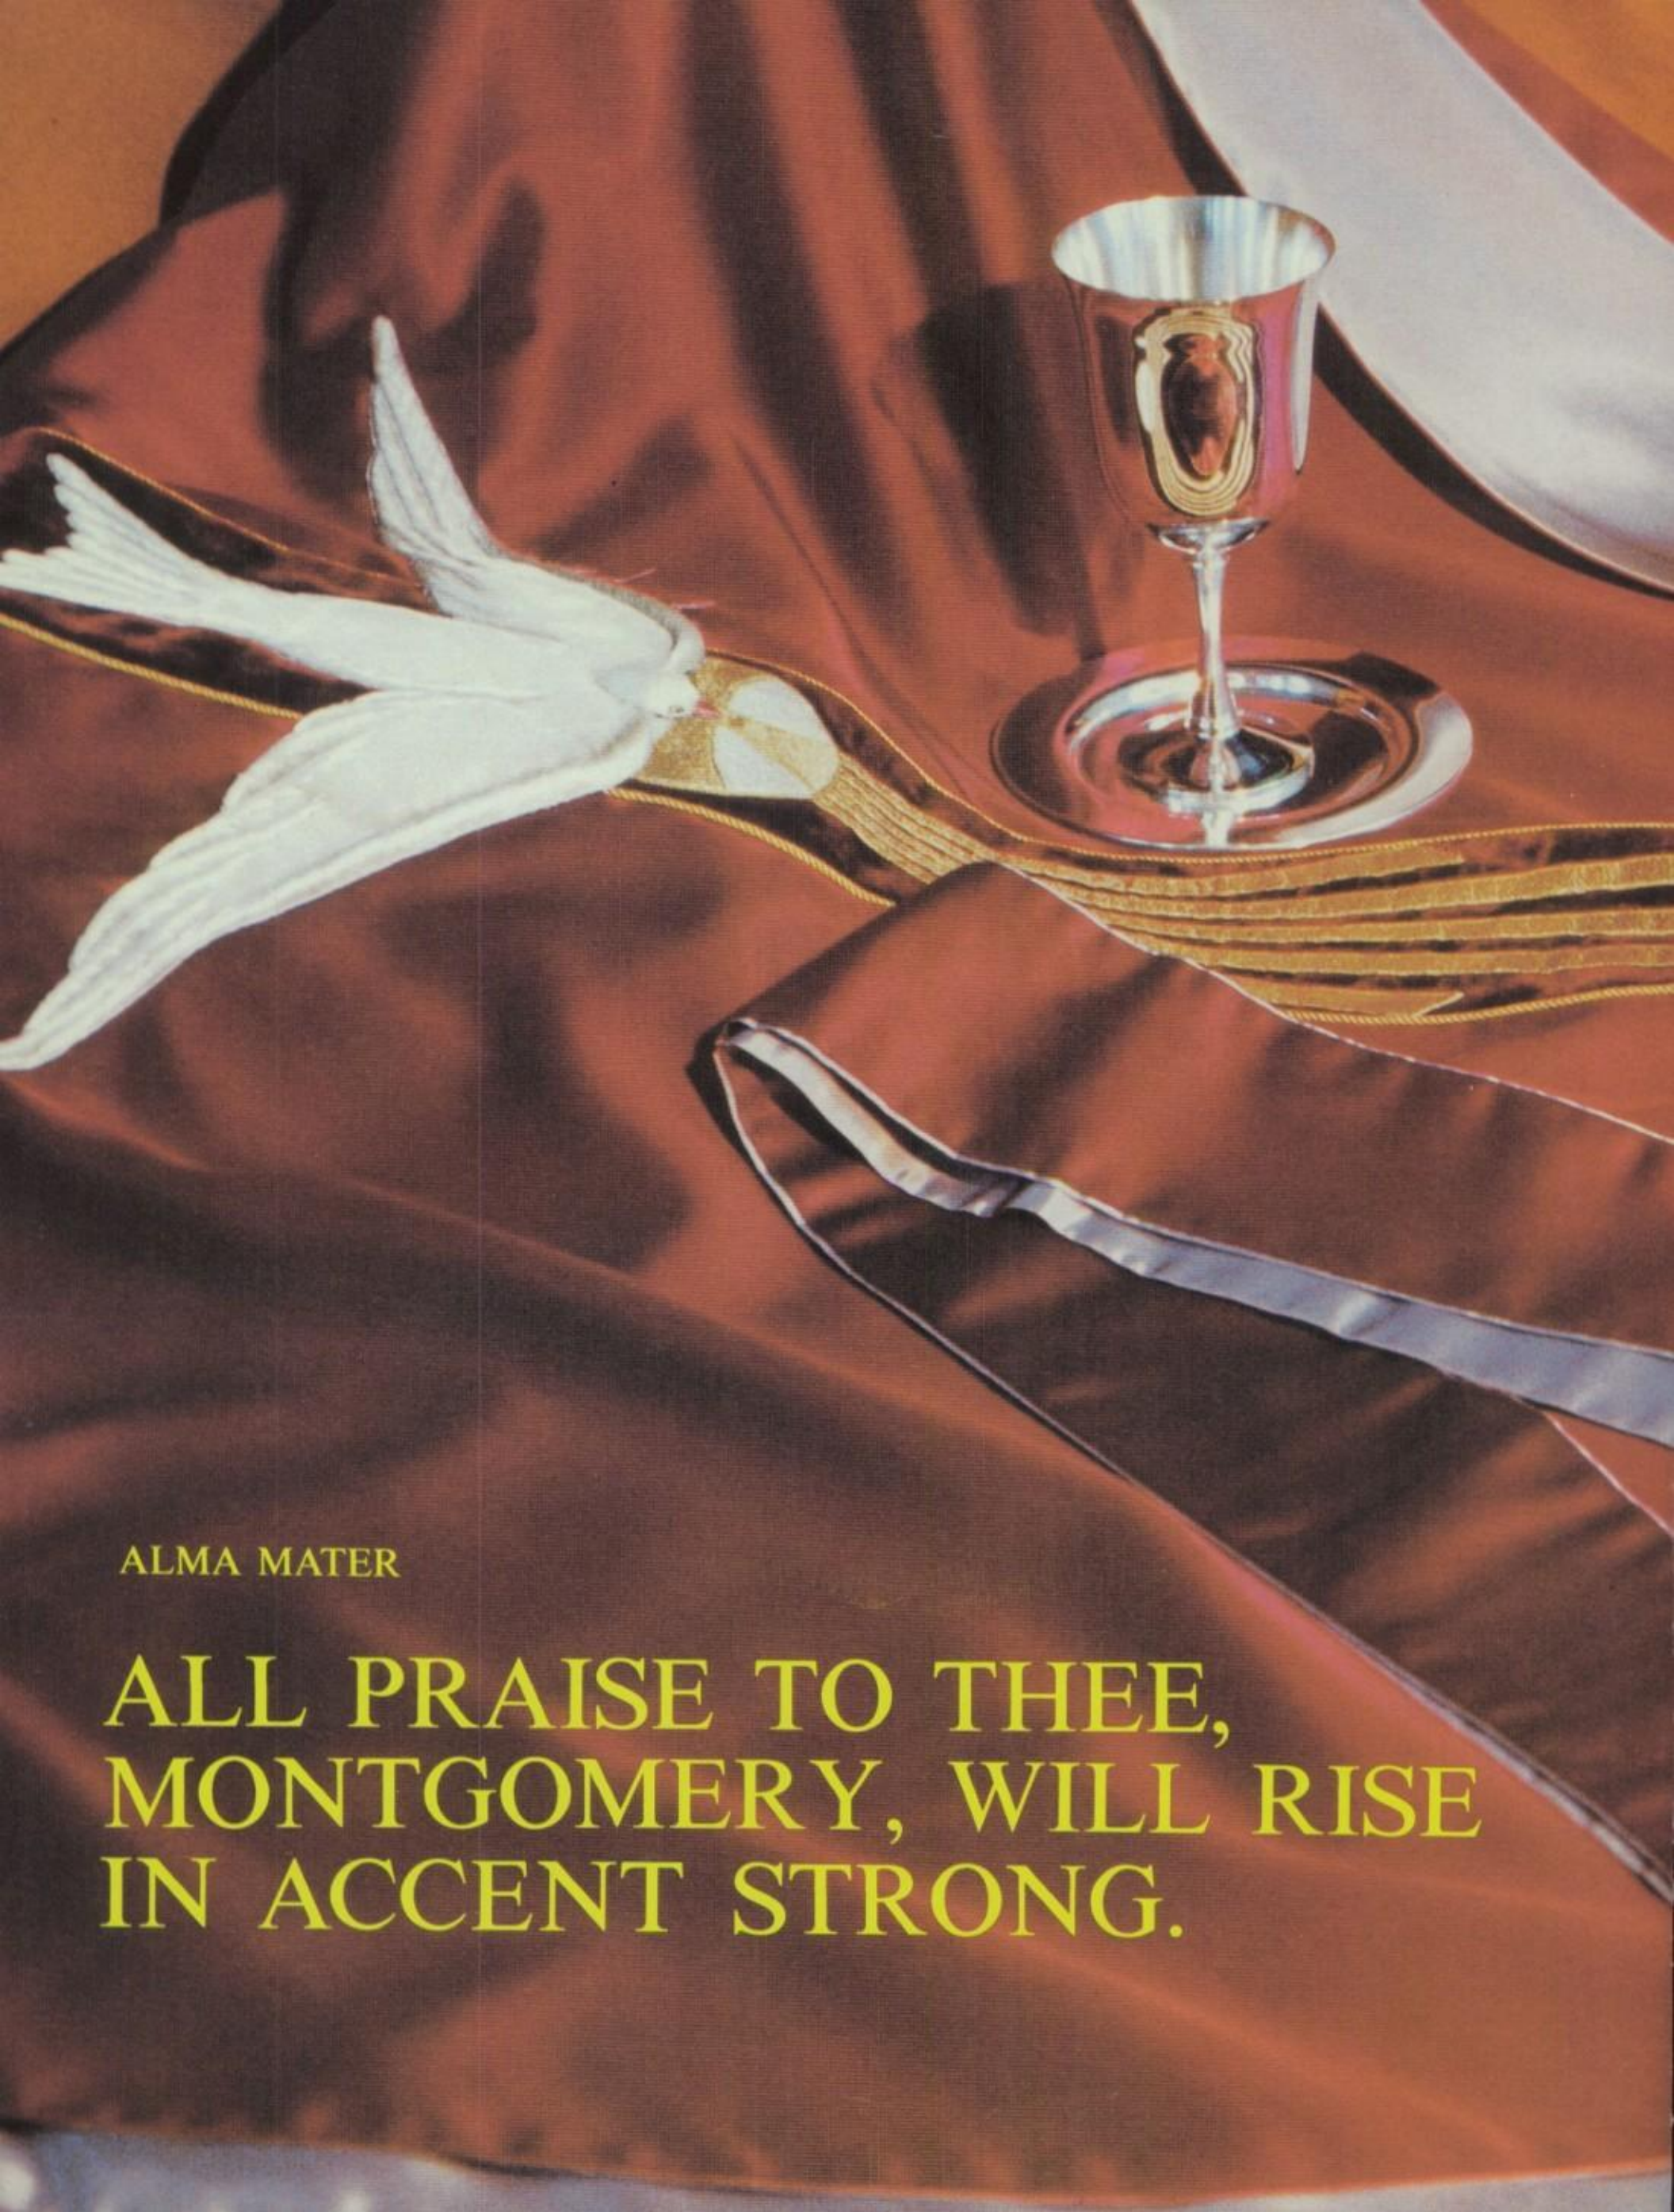

It is with great pride that the staff dedicates Excalibur 1983 to the teachers who have walked these halls of education in search of learning that will benefit the students of Bishop Montgomery. We are grateful for twenty five years of love, dedication, and professionalism.

IN THE EYES OF THE COMMUNITY

Bishop Montgomery High School has contributed twenty-five years of service to the South Bay Catholic Community. For this service the school has been commended by three local cities; Torrance, Redondo Beach, and Lawndale. These Certificates of Recognition were presented by the City Fathers during the Silver Jubilee Mass. Montgomery was honored for its educational prowess, its Catholic values, and for the self-discipline and respectability of its students and graduates. We are all proud and honored to have been recognized by these three great cities on our Silver Anniversary.

Starting out the week were the Freshmen with their splashing water balloon toss. Following with an even bigger splash was the Sophomores' dunking machine. The Juniors' spirit was expressed through their awesome earth ball game. The Seniors with spirit, balloons, banners, and their activity, the kissing booth, won the Spirit Contest.

A week of float building, activities, decorating and the Black and Gold breakfast led up to a very exciting Homecoming Pep Rally. The excitement grew as the top five were announced: Paula Hay, Lynn Mountain, Kim Spagnoli, Diane Murphy, and Loreen Trevino. This spirit welded the four separate classes into one strong unit, a true Montgomery Family.

RAISING SPIRIT

Pep Rallies at Bishop Montgomery have always proven to be a major source of spirit and excitement. This year has been no exception. Giving the teams the inspiration they need, the students show that they're behind them all the way. Besides the showing of spirit, the Pep Rallies have always been a way to get out a little energy, and a great way to shorten the classes.

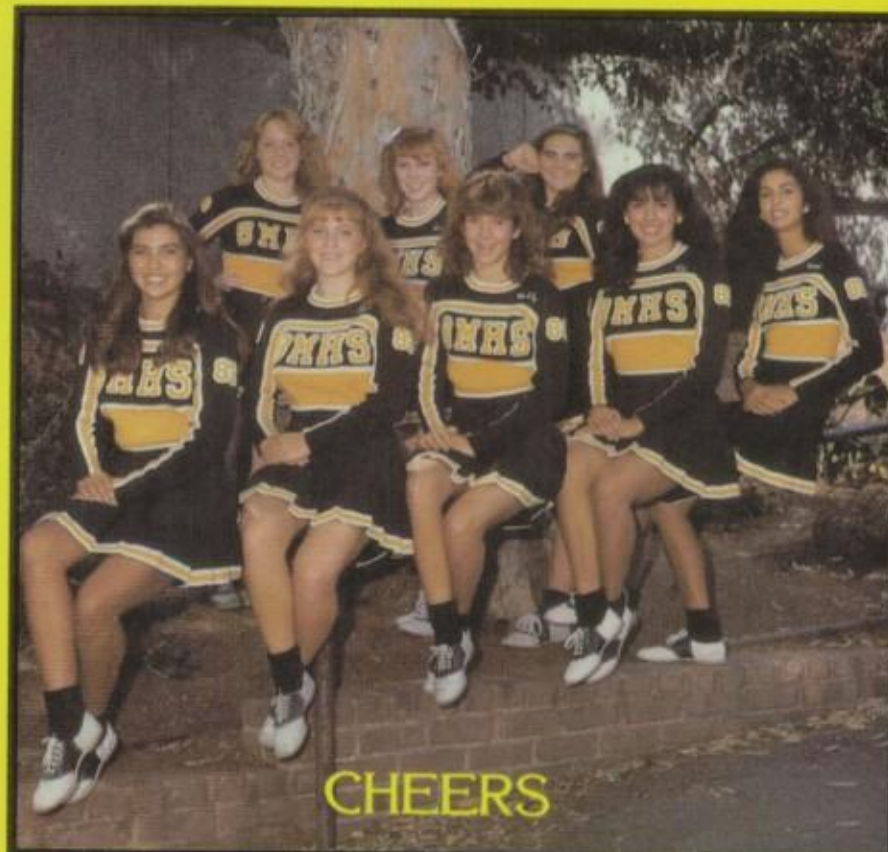

- 1.) The Bishop Montgomery Knights!
- 2.) Mr. Llewelyn has a hopping good time.
- 3.) What? Bobby socks and poodle skirts at Bishop Montgomery?
- 4.) Sue Ness, Elizabeth Villaneda, Cathy Hines, Paula Hay, and Darcy Stoltz.
- 5.) Mr. Cooper shows he has what it takes.

Being a cheerleader means a lot more than wearing a short uniform skirt. For these girls it meant long, every day practices for events such as: orientation days, pep rallies, football and basketball games, and 500 day. The girls worked hard all year long in preparation for competition events, in which they performed very well.

From left to right: Darcy Stoltz, Diane Murphy, Alice Cardona, Christie Barany, Kathy Scott, Sue Ness, Kerry Haire, Liz Villaneda, Kim Moore, Cathie Hines, Veronica Dubyak, Connie Torres, Paula Hay, Lisa Zabel, Tricia Sullivan, Elizabeth Ortega, and Marina Villapondo.

The Frosh cheering squad was full of spirit this year. It was their first year of cheering, and they rose to the occasion. Led by Gretchen Teer, the Frosh cheers were a definite asset to the pep program.

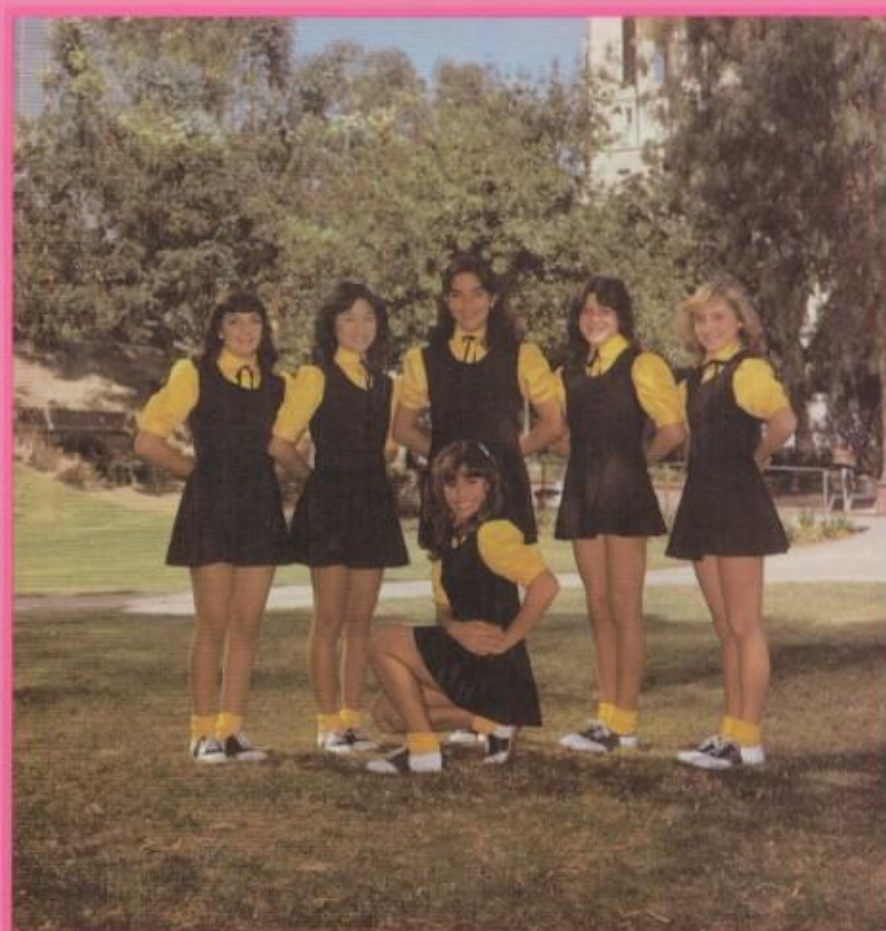

Last but certainly not least are the Girl's Sports Cheers. These girls, led by Yvette Olson, cheered at girls volleyball and basketball games.

alloween was two treats in one this year. Not only was it our annual dress up day, but it was also the conclusion to our exciting spirit week.

The students dressed up in their favorite black and gold costumes and showed their spirit. The outstanding costumes were, Senior, Molly Haire portraying her idol Dolly Parton and the Extra Terrestrial Sophomore Michelle DeCuir.

The Dean of Boy's Discipline, Mr. Stavang, captured the commandos and held them as hostages until they were released on paroll. That afternoon at the homecoming pep rally the commandos attacked John Ciociolo and swept him off his feet.

Spirit Day and Halloween dress up was another one of those exciting days at B.M.H.S.

A Montgomery Christ ✕ Mass

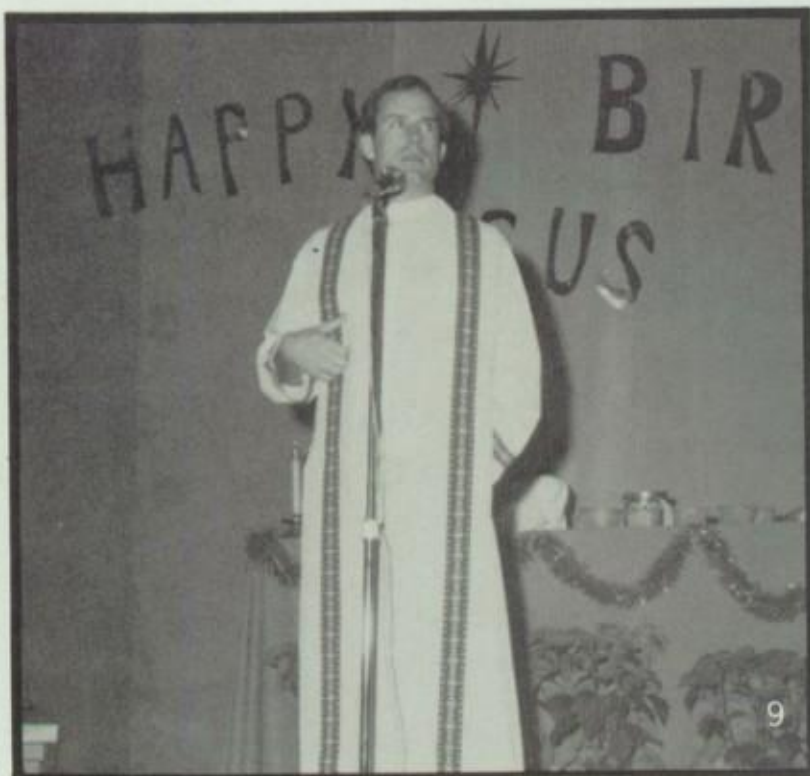

ishop Montgomery had a very memorable and special Christmas. A Christmas which expressed the coming of our Lord. The mass was beautiful. Not only did Bishop unite as a family but as a Christian community to witness Elizabeth Engstrom become Catholic and receive her first Holy Communion. Along with four other Bishop students, Scott McPherson, Starline Harrison, Gena Harrison, and Shannon Selby she shared in the glory of the special sacrament of first Holy Communion.

Mary, Joseph, and little baby Jesus, came to Bishop. The children of St. James worked hard on presenting a perfect Christmas pageant. This special time of the year unites the Montgomery family, who are looking forward to the New Year together.

1. Elizabeth Engstrom converts to Catholicism. 2. Our little Mary and Joseph. 3. Father Kidney celebrates our Christmas Mass. 4. William Martinez expresses his Christmas spirit and wins the door decorating contest. 5. And thee Angels came . . . 6.

JOLLY GOOD TIME

T

n recent years, Christmas at BMHS has produced thoughts of the Backwards Dance. As girls nervously decided to invite guys to the dance, anticipation grew. Once inside the gym the Christmas spirit got stronger, and the music from "Backseat" got louder. Bishop Montgomery students danced until it was time to go. Between dancing and eating, talking and laughing, students got to know each other better. The exhausted faces at the end of the evening proved that it was a memorable night. "One never to be forgotten".

1. "Razzle-dazzle 'em!"
2. With a girl on either side of you, wouldn't you be smiling too?
3. GOTCHA!
4. The dance slowed just a bit, so partners could catch their breath.
5. If looks could talk.
6. "Has anyone spiked the punch yet?"
7. Friends are forever.
8. "King Tut!"
9. "Three's a crowd, Crawshaw!"
10. Did someone say "Picture!"?
11. The guys were holding the girls back from attacking the food bar.

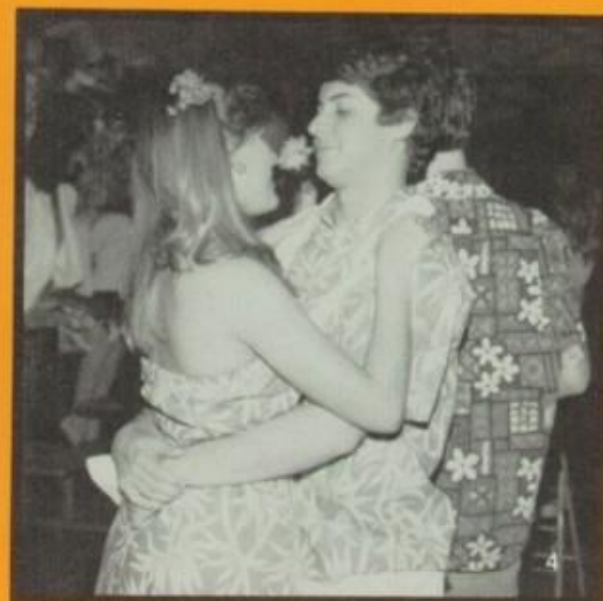

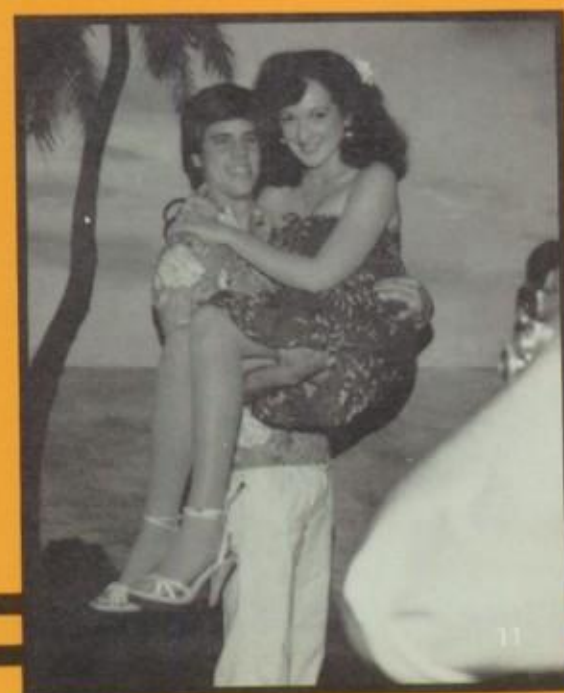

SADIE HAWKINS . . .

For the first time in Montgomery history, the Sadie Hawkins dance didn't mean dress up "cowboy". Instead the attire was quite a different theme - HAWAIIAN. On February 5, 1983, 150 couples assembled into the gym to dance to the sounds of a D.J. The festive decorations included blue and gold streamers, fish nets hung in various places, and Hawaiian posters, not to mention the rearranging of the names on the basketball marquis. The tropical atmosphere was enjoyed by all.

1. Everyone shows their fancy footwork on the dance floor.
2. Couples seem to enjoy one another's company.
3. Gabriel Capdevila- King of the Island.

9. Juniors show their stuff.
10. The anticipation of getting into the dance...
11. Nanette Hotra and Jon are full of smiles.
12. Laura Krank gets into the music.

GOD'S FAVORITE

The fall play this year was a very appropriate choice. Yes, Neil Simon actually made a funny play from the Book of Job, transferring the scene to a Long Island mansion where resides a tycoon, his wife, a prodigal son, and a pair of kookie twins.

Then one night a messenger of God enters with a big G on his sweatshirt. Our modern Job won't renounce God, so a fire is sent to wipe out his factory and home.

Everything becomes a test of his faith, including his family. He tries listing his prodigal son's qualities and can't think of any. His wife asks him how he can love God when he makes him suffer, and he says his prodigal son makes him suffer and he loves him. He believes he's been chosen to show how much a man can love God. He gets an itch, then neuralgia, tennis elbow, and hemorrhoids. Having lost everything, God in the form of a messenger, answers him. The messenger admits losing and asks for a letter of recommendation.

AWARD WINNING STAFF CELEBRATES

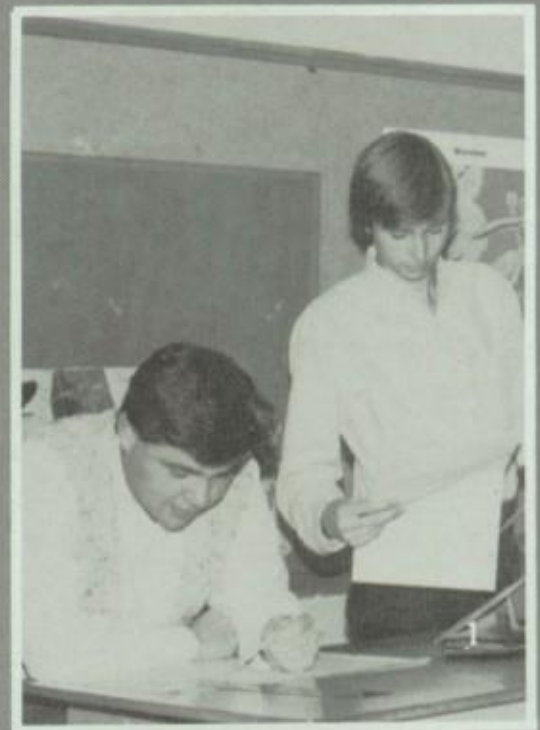

nce upon a time there was a group of students who decided to publish the twenty-fifth anniversary edition of Excalibur. They worked very hard and learned special things; that you must cut photographs under a full moon with silver scissors while burning incense and handy skills like that. They made many friends along the way and found out that Mr. Martinez wasn't such a bad guy after all.

The staff was headed by co-editors Phil Renner and Luchy Rotelluk. Their desire to finish Excalibur was only matched by their lack of sleep caused by it. Assisting them with his vast expertise, was Mr. Dan Martinez, the advisor. His job was to try to keep the class under control and to make sure that the book got published. Evidently he accomplished

the second, but sacrificed the first.

The dedication of the staff was reminiscent of that of galley slaves and similar laborers. Seriously though, the staff put in many extra hours after school, on weekends, and during holidays. If not for them, you wouldn't be holding this book in your hands. They pulled together and published the best yearbook, Excalibur 1983, that Bishop Montgomery has and will ever see.

Yearbook 1982-83: M. Alvarez, M. Avila, D. Barnes, K. Barr, S. Behenne, E. Brady, K. Brizzolara, M. Carroll, T. Cole, S. D'Ambrosio, K. Diaz, M. Finn, S. Flint, R. Ford, C. Gregorius, M. Halre, E. Bishop students found a surprise awaiting them last September as they returned to school—the first issue of Knightlife, produced during the last week of vacation. It was the beginning of a history making year for the school newspaper.

Under the aggressive leadership of **Steve Rush**, Knightlife pioneered the use of color for the first time at Bishop. Special issues during the year were highlighted by colored headlines and illustrations, while the special Silver Anniversary issue featured a full-color photo of the Cardinal's Mass, a first ever accomplishment for a high school newspaper in the area.

Sports coverage was improved greatly under the guidance of **Paul Soriano**, whose staff endeavored to give space to a wide variety of boys' and girls' sports at Bishop. **Laurel Schneider** and **Maria Black** upgraded the features page with articles on subjects of interest both on- and off-campus.

The reinstatement of the Bishop Montgomery chapter of Quill and Scroll, the national honor society for high school journalists, enabled moderator **Dave Llewelyn** to give recognition to key staff members at the Honor Awards Assembly.

AT THE MAIN GATE

This year the front office and the Attendance Office were led by seven very talented and helpful women. Each of them helped in her own special way to provide the services that each of us must use from time to time here at Bishop Montgomery. THE SOURCE

What do William Martinez, Jo Morganfield, Mrs. Schaffer, and the five custodians of our school all have in common? Give up? Well, they all make up part of what is called the staff. This group of people help make Bishop Montgomery a more interesting place.

1. William Martinez, our head librarian. 2. Alicia Maldonado and Colleen Laureno spend a few moments studying in the library. 3. Jo Morganfield, better known as the lady who sells the Scantrons. 4. Mrs. Kathy Dieter, as we can all tell, thoroughly enjoys her work. 5. Students make good use of our library. 6. Mrs. Schaeffer has a blast. 7. All you freshman who did not realize it until now, this is our library.

RELIGION

1964
GEORGE BISHOP MONTGOMERY

CELEBRATION!

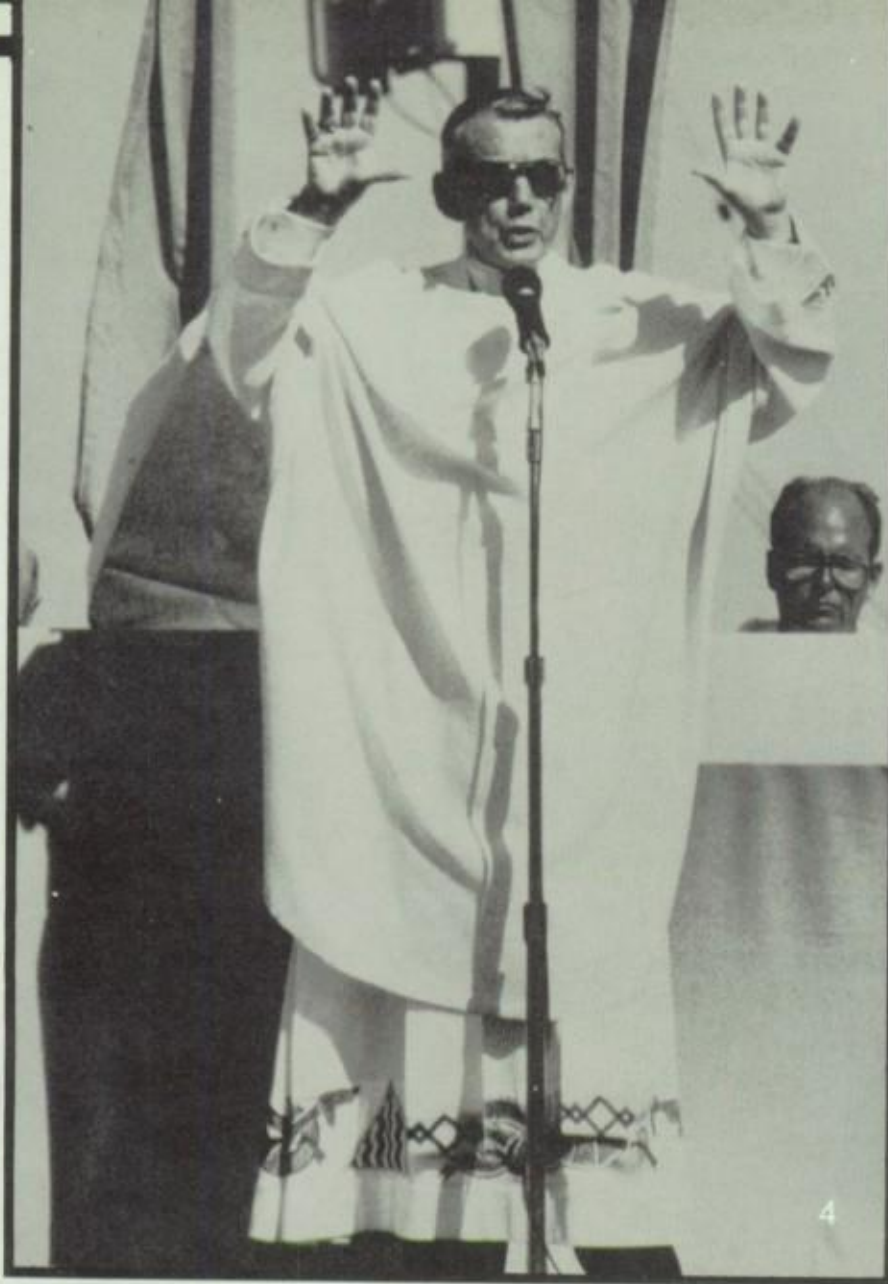

Our 25th Anniversary Mass was celebrated by His Eminence Cardinal Timothy Manning on September 19, 1982 in our Knight Stadium. For many it was an event that shall be long remembered.

On this day the school welcomed back former principals, teachers, and alumni in a gathering of the Holy Spirit. During the mass

Cardinal Manning inspired those present with words of wisdom to carry us through our next 25 years to come.

After the mass there was a special celebration in honor of the school. Several of the surrounding communities showed their support for Bishop by giving awards for services done by our school.

1. The 25th Anniversary Mass as celebrated by Cardinal Timothy Manning.
2. Onward Christian soldiers.

KNIGHTS WORSHIP TOGETHER

Liturgies are an underlying factor in the Bishop Montgomery family. They further a spirit of Catholicism and bring the student body together as one family under God. Besides the special occasions for mass at Christmas, St. Francis' Day and Easter, mass on Wednesdays and communion services are provided on the other days. Students take the chance to praise, worship, and thank the Lord by participating in these services.

The Liturgies are very special times because they express the love and concern we have for one another here at Bishop Montgomery.

1. Father Gary leads the Knights in prayer.
2. "Sing praise to the Lord!"
3. Liz Villaneda receives a warm greeting from Father Kidney.

FOCUSING ON...

SUZZI KILDISZEW...

Suzzi Kildiszew's smiling face is a familiar fixture in the hallways of our school. People have often commented, "She's such a character." Well, she really is a character. That is, she works at Marineland in such costumes as "Admiral Tusk", "Sheldon the Shark", or her favorite "Sammy the Sea Lion."

She had only worked there a short time when her boss decided she belonged in live shows rather than food service. That was two years ago, and Suzzi has been a character ever since.

She works Saturdays and Sundays in the winter, eight hours a day. It is not an average work day though. She works in the costume in live shows greeting guests for half an hour, then rests for a half an hour, and this cycle is repeated all day.

Suzzi has thoroughly enjoyed this experience, and wants to keep doing it for as long as possible. She adores the children who come to the park, and has a special love for the mentally handicapped kids who visit. And as she sums it up, "Every day is something new-new kids, new faces, new attitudes-it's never boring."

TOM BEDNORZ...

"There's a lot of action," says Tom Bednorz about his favorite hobby. Tom, a Junior, has been racing motocross for almost three years. He races every night, locally at such places as Alpine Village and Ascot. He has raced out of state in Arizona, Oklahoma, Pennsylvania, and Oregon.

A very fast sport, each race lasts for only thirty seconds. There are four races per night, and Tom spends two to three hours each night with this hobby.

As a result of his dedication, he has collected over 500 trophies. He'd like to continue riding for a long time, and hopes to turn pro in a couple of years.

DIANE DIBRELL...

Diane Dibrell, a Sophomore, has led a very interesting life. Born in Texas, she has lived in or visited such places as Japan, Hawaii, France, Germany, Switzerland, and England. She speaks three languages - English, Japanese, and French, and is mastering another one right now-German.

The reason for living in Japan is that her father wanted Diane and her sister to learn to speak Japanese and learn about the culture, so the family moved there, and remained for seven months.

She has lived in France twice, the most recent stay was for seven months. Her mother's family lives there, and Diane finds the French life-style to be her favorite. "The people there are so calm, and they always take their time. Here, everybody is so high-strung and in a big hurry." She has found that people here are more friendly and patient though.

Here at Bishop, Diane is involved in the debate team and the computer club. She finds school to be easier in America, because foreign schools put a much greater demand upon the student.

As for the future, Diane would like to travel more, and hopes to see Italy and Ireland next.

TINA BELBA...

Tina Belba, a Freshman, started taking ice skating lessons eight years ago because her cousins were, and she thought it might be fun. This led to her taking eight years of private figure skating lessons, and entering many competitions. To supplement her skating, she began ballet and jazz lessons. Becoming immersed in the world of skating, she stayed out of school in the sixth grade, and had a private tutor at the rink. This arrangement didn't work out very well though, because she felt that she wasn't learning much, so she returned to school in the seventh grade. She practiced skating every day before school for two hours, and after school practiced both skating and dancing for two to four hours.

Unfortunately, Tina recently had to give up skating seriously, because she wanted to focus her attention on doing well in high school, due to her ambition of going to a top college. She still does ballet, though. Her newfound leisure time has also enabled her to join the drill team at school.

All of her hard work has paid off in the long run, and she doesn't regret a moment of it. "I learned to make a lot of my own decisions, and handled a lot of responsibility. I found a talent, and at the same time, made a lot of good friends."

500 DAY

1. Ms. Gonzalez informs the 8th graders how to do science activities.
2. Fr. Kidney reminds Joe Rumsey about when he was a freshmen.
3. The future freshmen find life at Bishop amusing.
4. Fr. Nocita explains the religious program.
5. Mr. Martinez shows that history can be fun!

Every year, nearing the end of the first semester, a day comes when all the eighth graders of the surrounding area join together to observe the way that life goes on here at Bishop Montgomery. This year, the day began with some entertainment provided by the band, the basketball team, and the songleaders. Afterwards, the students were welcomed by Fr. Kidney and Tammy Martinez-Payne. Following more entertainment, the different schools disbanded and formed several tour groups, led by Montgomery students. On the tours, the future freshmen witnessed a number of activities that gave an idea of some of the opportunities that will be available to them next year. The activities included a science demonstration, given by Ms. Gonzalez and Mr. Picard, a living history experience, given by Mr. Martinez, and a dance routine along with weightlifting given by various Bishop students. At the day's closing, the students gathered once more on the bleachers for ice cream and a slide show.

his year Bishop Montgomery had a 50's dress-up day. For one day the campus was overrun with slick-haired boys in rolled-up jeans and girls in ponytails and calf-length skirts. The day ended with a 50's pep rally and a sock hop after the football game.

SOPHOMORES

1972
ADJUSTMENT: A YEAR OF TRIAL

Sophomore 10

sophomore year. September 1, 1983. The Class of '85 entered the interim. They were no longer Freshmen, yet they were so far away from Senior status. Sophomores tend to be the forgotten students.

This year's Sophomore class, led by Theresa McKivergan, were not forgotten. Their common goal was to earn a page in the Bishop Montgomery log. The efforts of Moderators Ms. Egan and Ms. Sulentor were not in vain as the Sophomore Day was painted with burgundy and white. The Sophomores can now look forward to a fantastic Junior year.

1983 Sophomore Officers: President Theresa McKivergan, Treasurer Mario Mora, Senator Laura Krank, Vice Pres. Chris La Bonte, Secretary Jennifer Scott, and Publicity Coordinator Richard Norton.

There used to be a time when lunch meant good food. However, not for these BMHS students. Nowadays, for most students, lunch consists of chocolate donuts, Dorritos, burritos, honeybuns, and "the real thing" (Coca-Cola). The snack bar proves an excellent supplier for these junkies.

FRESHMEN

1967
SERFUS DAY: THE INITIATION

Freshmen

eptember 2, 1982. Bishop Montgomery witnesses an influx of 427 new students. This is the Class of 1986.

Orientation Day is the first taste of high school life. It is also the worst. Orientation is synonymous with boot camp. It builds character. If the Freshmen can toil through the mug shots and the finger prints, they're well on their way to a successful career at Bishop Montgomery.

The Class of '86 bounded out of the starting blocks. Their newly elected Freshmen Board, Tammy Martinez, Beth Carr, Lisa Bush, Claudio Alvarez, Chris Wadleigh, Sageri Caldwell, under the supervision of Class Moderator, Mr. Hefferman, motivated the class to a memorable Spirit Week. The Class of '86 is a definite asset to the Montgomery family.

SPORTS

1968
A CHAMPIONSHIP SEASON

AWARD-WINNING ATHLETES

The Boy's Sports Awards Banquet was held at St. Catherine Laboure to honor our football players. After a meal of lasagna served by the drill team, several players gave speeches thanking their coaches, parents, and the Montgomery Family. Father Kidney then presented the scholar athlete award to Dave Schaeffer. The other awards were presented by the coaches. Co-MVP awards were bestowed upon Bryan Bero and Carlos Vasquez. After a hard fought winning season, the athletes received recognition well deserved.

1982-83 LETTERMEN

BLOCK M

The male athletes of Bishop Montgomery who had obtained a school letter by playing a year of Varsity Sport comprised the Letterman's Club. The club was advised by moderators Mr. Bill Norton, and Mr. Sam Vaiana.

The members of the club generated a lot of school spirit through their unity and performed other services for the student body. The member-athletes helped heighten school pride through the year by bringing glory and pride to our school.

HARD KNOCKS...

... BUT GOOD TIMES seems to have been the theme of the 1982 Varsity Football Team. Despite the injuries sustained by many of the players during the season, the team fared extremely well as they finished the season with a 6-2-1 record and advanced into the CIF playoffs. Unfortunately, we were edged out of the playoffs in the second round by Monrovia High School.

The game with Monrovia was very close as the score was tied 7-7, until, in the final seconds of the game, Monrovia put the ball through the uprights for a field goal to win the game 10-7.

The Knights were led by seniors Dave Schaeffer, Vince Gonzales, Devin Simmons, and Ken

Krank, who were elected to the First Team All League, and juniors Bryan Bero and Phil Jennings. These players and the rest of the Varsity Football Team displayed outstanding performances of skill this season. We, the Bishop Montgomery Family, thank you.

Yes, the players on the 1982 Sophomore Football Team are getting up there as next year they will be a part of the Varsity Football Team. But for this year, the team played an extraordinarily good season losing only the two pre-season games and going undefeated in their league.

The team showed great up-and-coming talent in all of its players and proved to be an enormous asset to the football program and to the school.

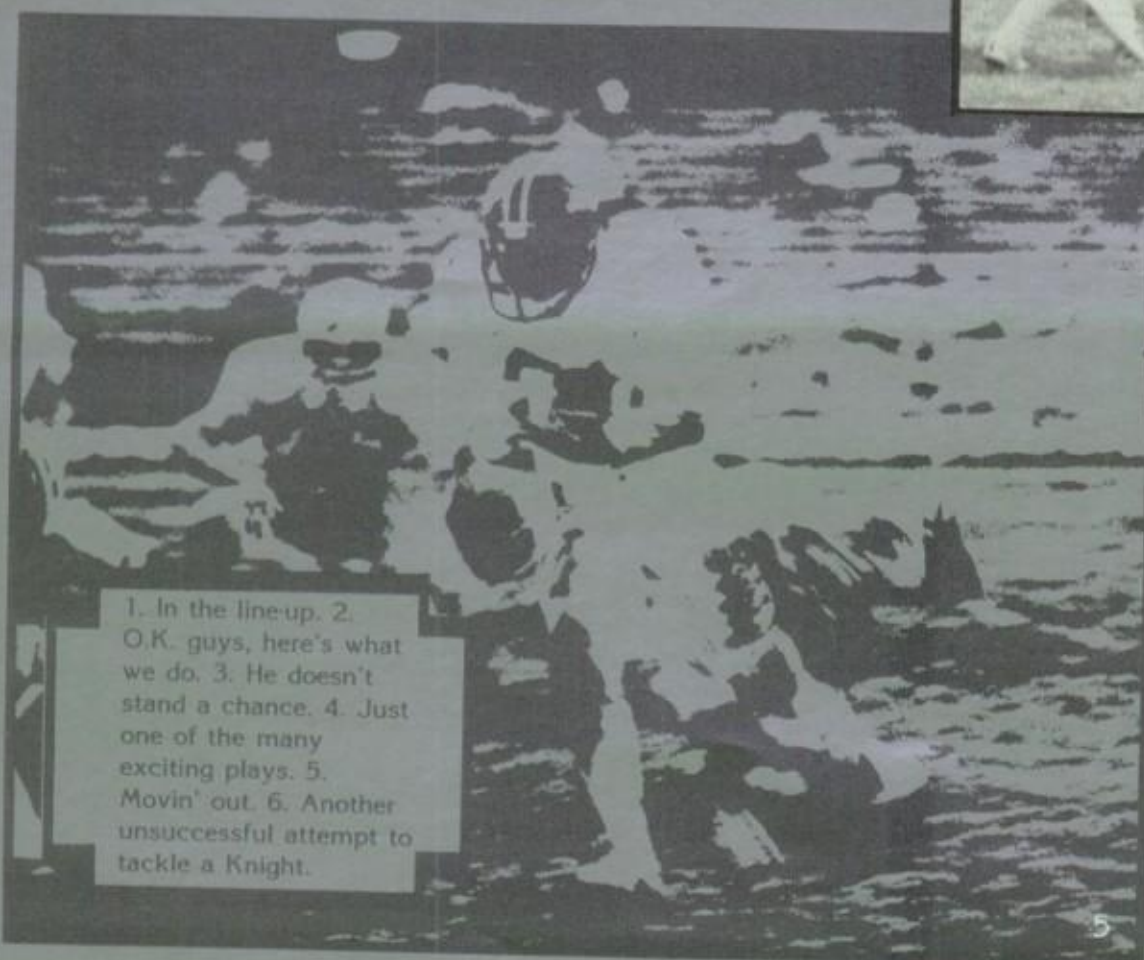

Oh, in case you were wondering what the scores of the games of the Sophomore Football Team were, well, here they are:

never lost their hope or their enthusiasm even in the worst of times. We are all proud of our Freshman Team as they are a great example of what Bishop Montgomery is all about and look forward to seeing them on the field in upcoming years.

UNDISPUTED LEAGUE CHAMPIONS

It was the start of a new era for the Boys' Cross Country Team. Coach Father Nocita was excited about the prospects of continuing the tradition of league dominance. This year the team was larger than usual which was added to their victory as league champs.

The team was led by three sophomores who are Greg Houlgate, Greg Keyes, James Reinhart, and senior Jerry Spears who contributed a lot for the winning team. Even though some suffered early setbacks due to injuries to number two runner, Paul Martinez and

later on by other varsity runners such as Tom Cable and Paul Newell, the team was able to finish undefeated.

ONE STEP FORWARD

Working as a unit, the Junior Varsity Soccer Team became the Camino Real League champs as well as remaining undefeated. This year members from the Frosh-Soph team were transferred into the Junior Varsity team. Each team member put forth all his effort. As in all sports, there were some injuries. During the season, Ron Romero injured his leg and was not able to play for the duration of the season. Even without Ron the team still captured the league title. The players pictured as followed are: C. Alvarez, K. Angeletti, S. Burke, L. Cochran, P. Dorr, C. Fitzpatrick, C. Hotchkiss, R. Lopez, P. Matthews, B. Millea, T.

Nguyen, R. Norton, M. Parker, T. Rogers, R. Romero, P. Stuppa, J. Villafana and Coach Kevin Butzer.

"Real Together", is how Mrs. Caldwell described this year's 1982-83 Varsity Volleyball Team. This year they were able to claim the title of Co-Champs in the Camino Real League.

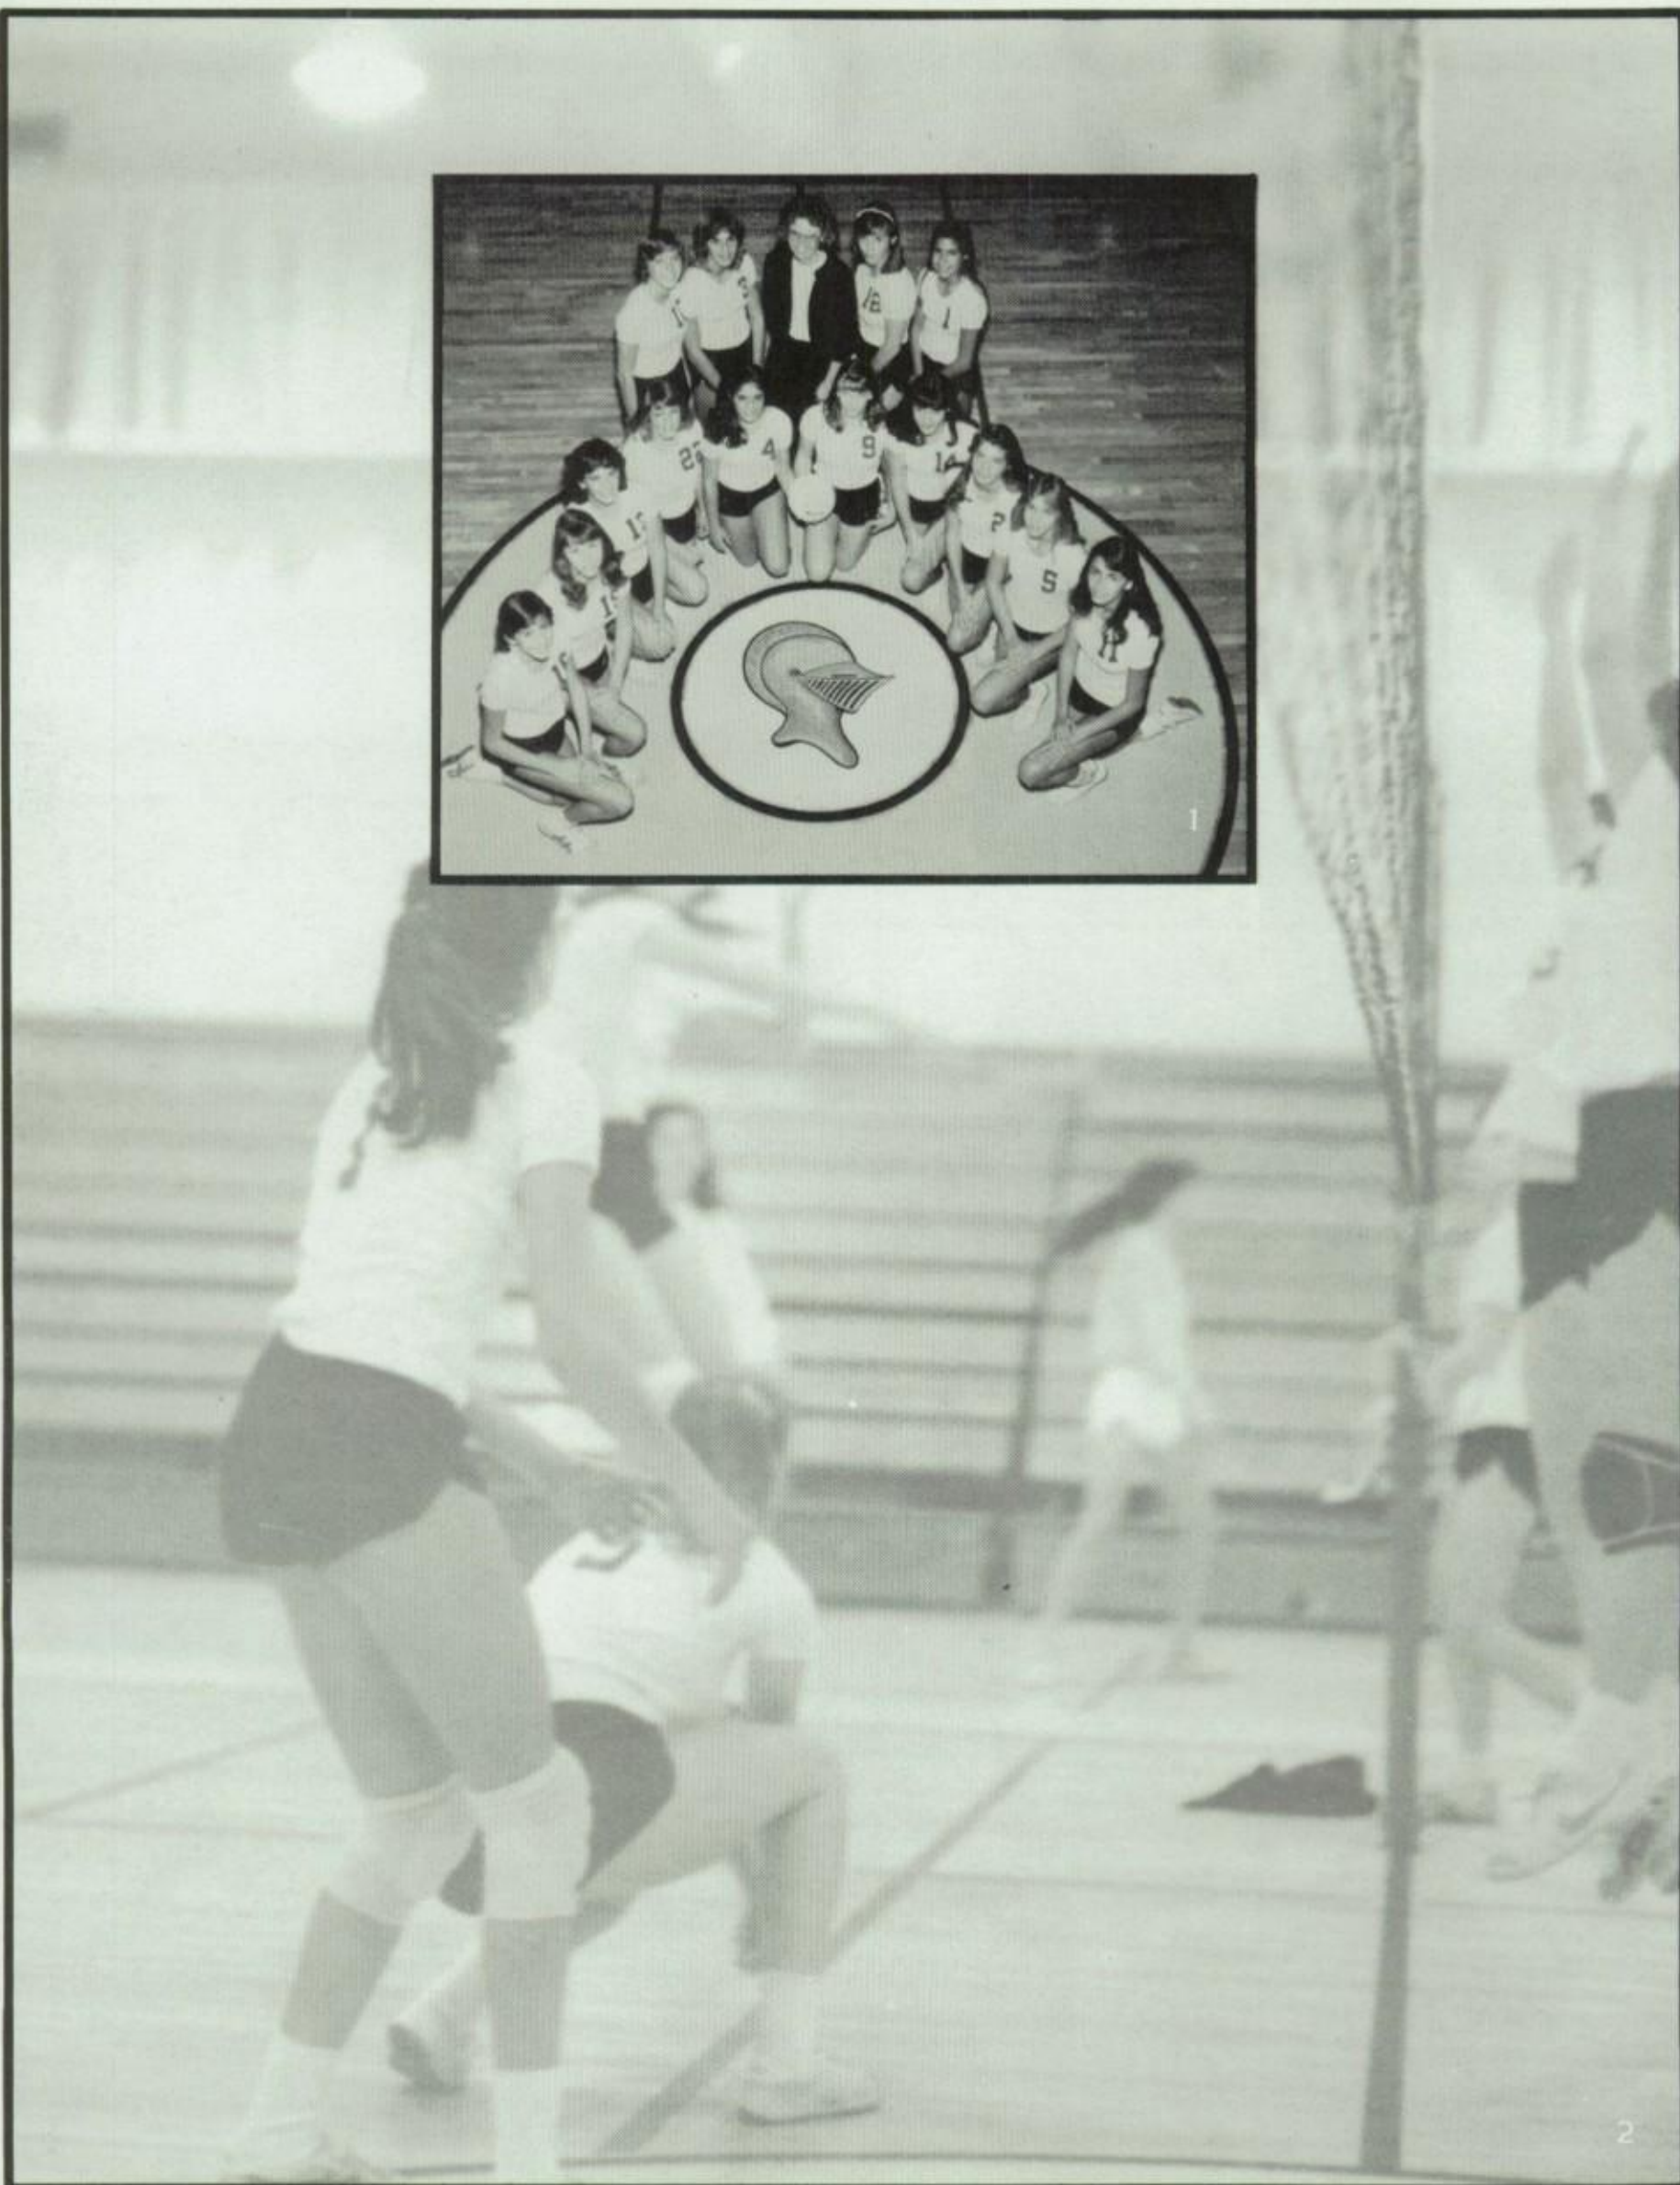

Captains Loreen Trevino and Anita Rodrigues helped lead their team to the CIF playoffs to prove they had what it took to come into first place. With outstanding players such as Diana Cafaro, who was, also voted the league's Most Valuable Player, and Lori Rodman the team was bound to win. But, of course, it was the ability and effort of all the players, and the excellent coaching by Mrs. Caldwell, that brought this year's team the recognition they deserve.

- 1) Loreen Trevino receives some helpful hints from Coach Caldwell.
- 2) The strategy is figured out.
- 3) The Alma Mater brings a smile to Jennifer Krank's face.

UNDEFEATED CHAMPS . . . AGAIN!!!

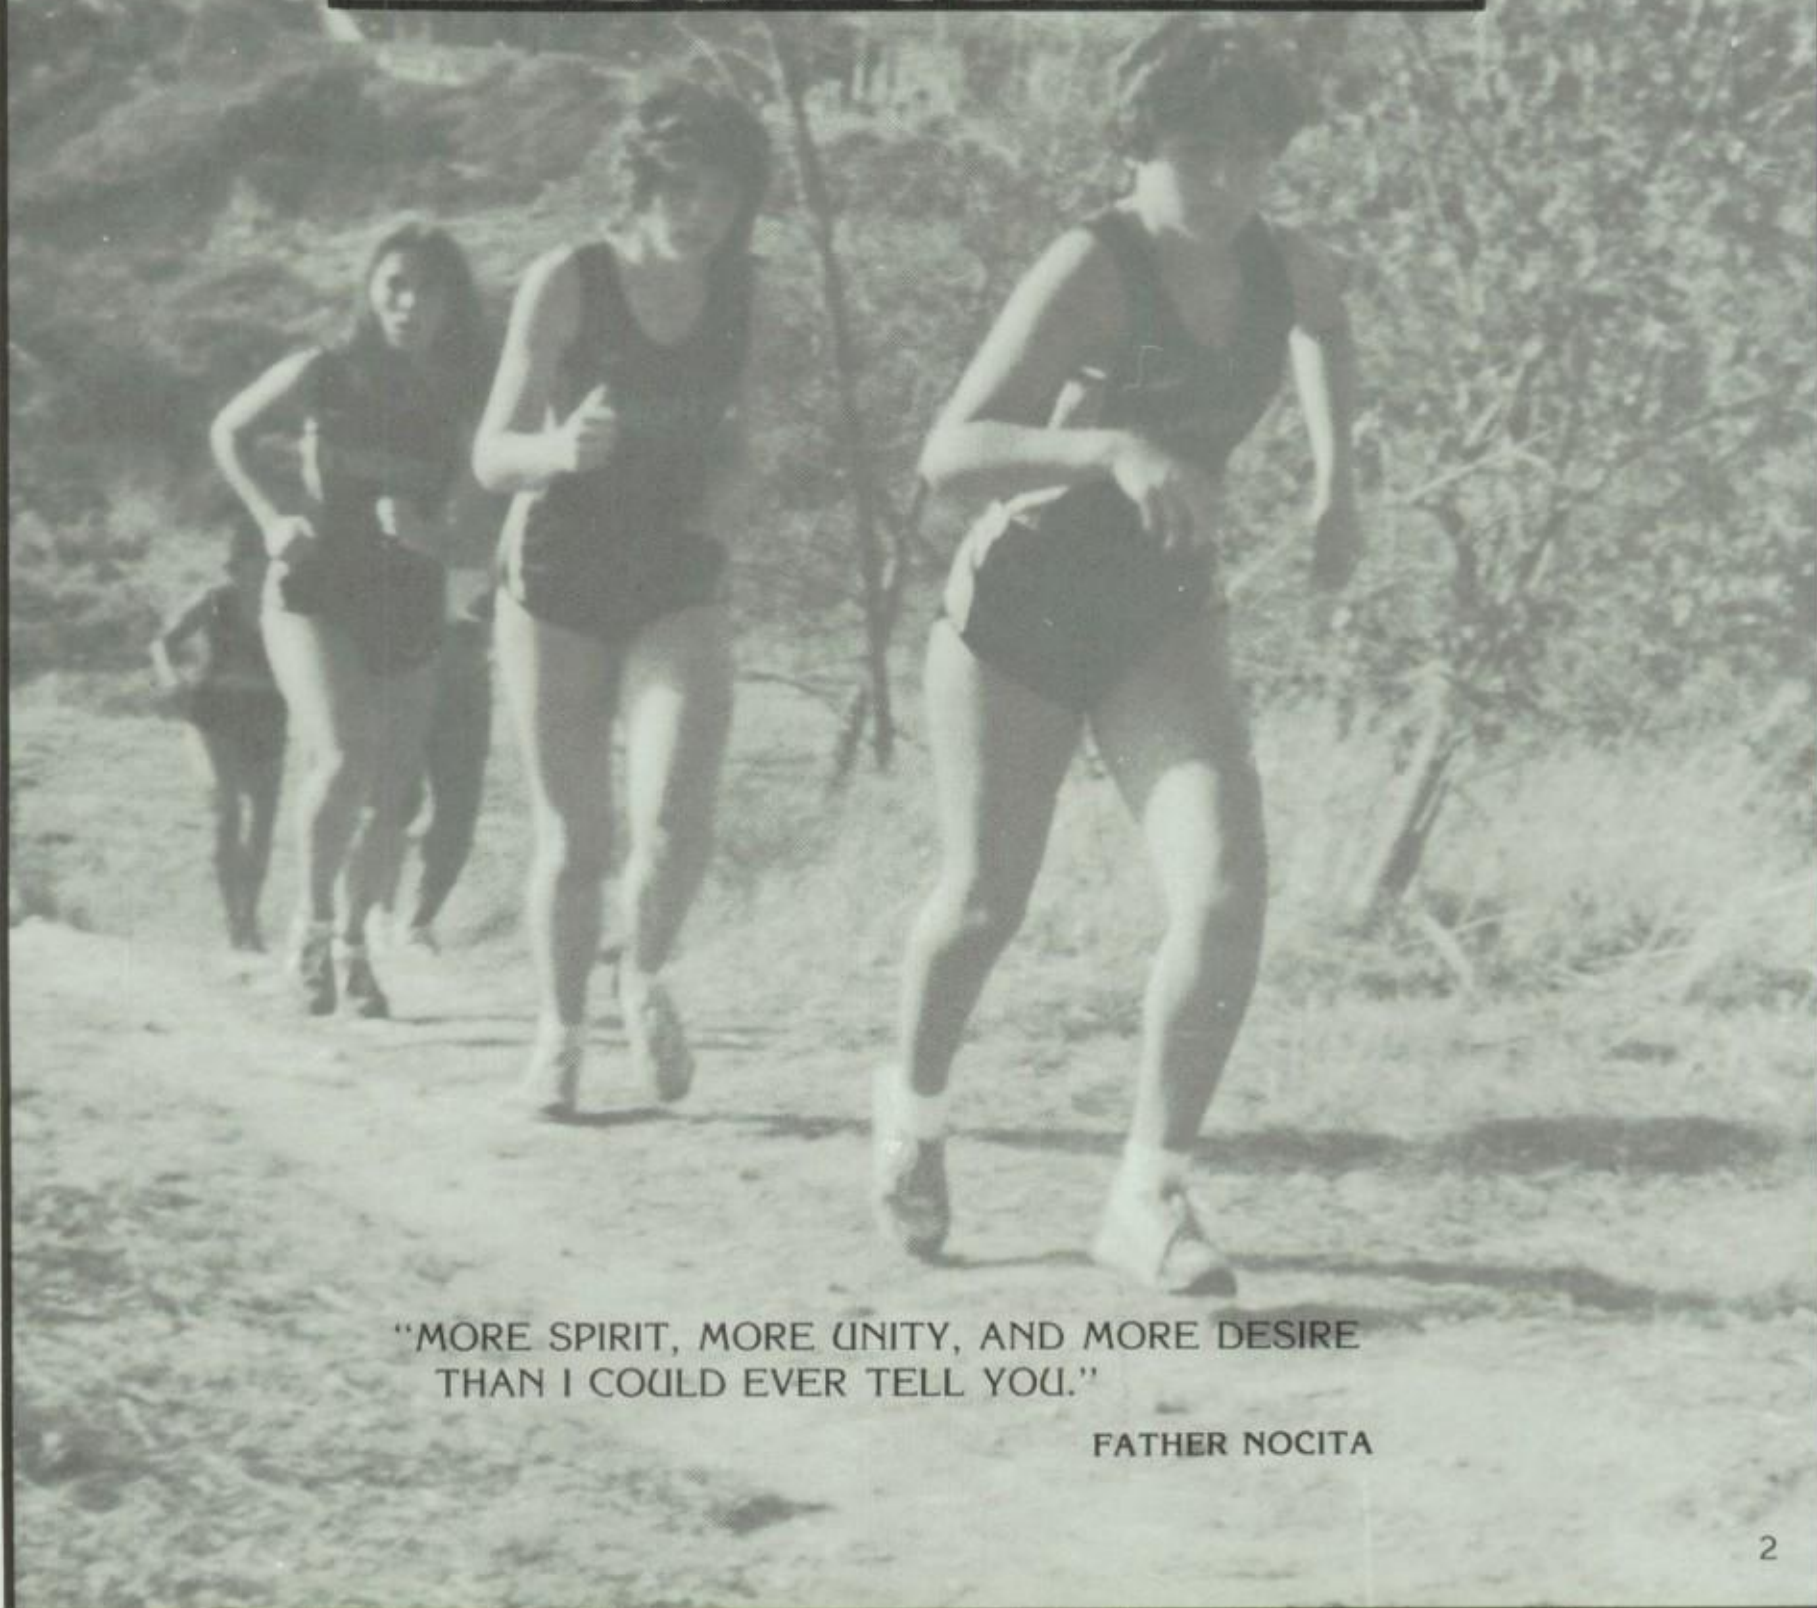

This year's 1982-83 Junior Varsity Volleyball Team was undefeated for the third year in a row. With outstanding players **Mary Magyar** and **Teresa Mostero** the team was able once again claim the title of Camino Real Champions. All players, though, proved that this years team was, in the words of **Coach Johnson**, "Awesome."

The 1982-83 Girls Cross Country Team started this season well! Of course, how could they help it with the expert coaching from Father Nocita! This year they were able to grasp First Place in the Camino Real League. Outstanding runners Maureen Bradley and Julie Lawler proved that the team was destined to win from the first meet. However, without the unity and desire of the whole team, they would have never done as well as they did.

All players, though, pulled together to give each other the kind of support and enthusiasm needed to make it through this year's season.

KICKING UP A GOOD TIME!

This year's Junior Varsity Soccer Team came in 3rd place in the Ocean League. With main team captains **Hilda Lopez** and **Gina Matter**, along with the coaching of **Mr. Robinson**, the team proved to have matured in their playing style. With such outstanding players as **Molly Meehan** on offense and **Ginger Foley** on defense the whole team was able to pull things together. **Coach Robinson** was very proud of the team also. Although Karen Costello was out with injuries, she proved to be one of the best players along with Stacy Shire and Mary Magyar. Coreen Sandfry and Diana Cafaro even made it to First Team All League. Of course the team received a lot of great coaching from Miss Stellino who said, "The girls were dedicated and highly motivated."

When Coach Malone was asked about the team, she said they were "a close group of girls who greatly improved their playing ability." That statement is obviously true, as can be seen by their ranking in the league.

SPOON BURGER HAVEN

For a long time now our parents that have donated their time to work in our snack bar have gone virtually unnoticed. It is important to realize the service they are doing for us - the students who depend upon the snack bar daily for lunch. *Mrs. Maria Wagner* has been in charge of the Snack Bar for a number of years and has done a fine job of keeping things running smoothly. Although there has been a lot of joking about the "Spoon Burgers", one must realize that they too hold an important spot in Montgomery's history.

You couldn't wait to be oh so tall
Tall enough to touch a star
Old enough to drive a car*

*Soon Shel was nine and Sue was eight
Growing fast you couldn't wait*

I entrust you to friends, as God called you
Listening to your calling
Be always and gentle and patient too,
Living with one another and charitable,
Spare no effort to make bonds of peace and unity
with those around you.
We are no longer children tossed about the waves
And whirled about by every fresh gust of teaching,
Dupes of crafty rogues and their deceitful schemes.
No, let us speak the truth in love
So shall we fully grow in unity together.
Give yourselves to prayer and keep watch and
persevere
Always remembering the love of our God.
Pray for me that I may be granted the right words,
when I open my mouth
And may boldly and freely make known the
purpose of God
For which I am called and for which YOU ARE
NOW CALLED!

Go in peace in the love of Christ,

Father Kidney

IN MEMORIAM

Cathy Bednorz
Co-Editor 1980

Cathy was special, not because she's gone, but because of what she did while she was here with us. Those who worked with her in year-book remember her kindness, her humor, and her love. Cathy cared. To her family and friends we dedicate this page. We are lucky she passed our way.

EXCALIBUR STAFF 1983

For twenty three of our twenty five years here at Bishop Montgomery, Excalibur, the yearbook, has been a tradition. To the students, faculty and alumni it has marked and recalled memories of days gone by.

As moderator of Excalibur for four years I feel deeply honored to uphold the tradition that is Bishop Montgomery. It is my opinion that this publication will be remembered because of its vitality and design. Of course all the credit goes to my staff. Deeply talented and dedicated, this year's staff showed why they are rated far above any journalistic endeavor in the schools history. For two years in a row Excalibur has been honored with the Printers Guild Award. To these honored students, the yearbook staff, my appreciation and praise.

Special thanks go to my business editors, Kris Barr (Advertising) and Katrina Brizzolara (Finance) who worked so hard to make Excalibur a financial success.

My congratulations are warmly extended to my co-editors, Phil Renner and Luchy Roteliuk for their dedication and effort. I am grateful to have worked with them, laughed with them, and see them grow as men.

As you the reader page through this publication keep in mind all that it is to be a Knight. The explanation is reflected in the pages of the 25th Anniversary edition of EXCALIBUR.

Keeping with the tradition of excellence, especially in this, the Silver Anniversary Edition, our staff has produced another award-worthy book. It is their fine work and dedication that has placed this yearbook a step above the rest. We would like to thank the staff of Excalibur '83 for making our job easier and for lending us the support we needed to complete our deadlines.

We would also like to thank Mr. Martinez for having faith in us. He helped us iron out the many difficulties that accompany creating a yearbook. Truly without him nothing would have gotten done. He sacrificed his weekends and evenings for Excalibur '83. His contributions to this book cannot be counted, so numerous are they.

A special thanks goes to our Josten's representative, Steve Wagner. He provided the professional direction for our book. He was the man behind the scenes, to whom we are deeply indebted. Finally we thank you, the reader. It is you whom this publication portrays. We, the editors, feel we could not have found a better subject.

Two and a half decades ago, Bishop Montgomery High School opened its doors and began to serve the community as an institution of learning. At that moment, the standards of quality education became tradition for the school.

Twenty-five years later, we are enjoy-

ing the fruits of much labor and dedication. This Silver Anniversary is a time of thankfulness. It is a time to pause and give praise to God for the blessing of knowledge, and for those who have taken the time to pass their knowledge on to others. Above all, it is a celebration of our school's history: a history filled with joyous moments

and many outstanding achievements.

As this special year comes to a close, we not only reflect upon the past, but we look forward to the future, in anticipation of many new achievements for the school. And we pray that all the years ahead may be as blessed and productive as those behind.

Well I didn't think we could do it, but we survived French class. Let me tell you, to me, it was not only hard, but boring. I'm so glad I'm not taking it next year. So have you got the dollar bill bow tie down pat? If you want me to show you again, bring two this time and you can do it while I show you. (It's easier that way). Well I hope you a great summer and I hope to have you in more classes next year. Keep Smiling! ☺

Time it was,

And what a time it was,

It was...

A time of innocence,

A time of confidences.

Long ago... it must be...
